# HISTORY OF NENA

- The First New England Numismatic Conference met in Boston, Mass. on May 23rd, 1941. Periodic gatherings of New England Numismatists had long been advocated by the late Shepard Pond and this meeting was occasioned largely through his efforts and held under his chairmanship. The NENA is a direct offspring of this Conference.
- 1946 After a lapse of five years, the Second New England Numismatic Conference was held in Boston under the Chairmanship of Henry Schuhmacher who felt that the Conference should be revived.
- The Third New England Numismatic Conference met in Providence with Horace Grant as Chairman. At this Conference, NENA was baptized and organized as an established Numismatic group embracing the whole of New England, her purposes and ideals were determined, and her first officers elected. Harold Whiteneck was installed as the first NENA President.
- The Fourth Annual Convention was held in Worcester, with Arthur Moore as Chairman. NENA undertook to publish "NENA News" and Arthur Moore was elected our second president.
- 1949 The Fifth Annual Convention was held in Springfield, with Howard MacIntosh as Chairman. At the business meeting he was elected our new president.
- 1950 The Sixth Annual Convention was held in Hartford, with Theodore Robbins as Chairman. Max Kuhner was elected president and the office of Publicity Director was established.
- The Seventh Annual Convention was held in New Haven, with Walter Johnson as Chairman. For the first time the length of the Convention was extended to include two full days of numismatic activity. At the business meeting a constitution was adopted and Maurice Gould was elected president.
- The Eighth Annual Convention was held in Boston under the Chairmanship of James F. Clapp, Jr. For this meeting a medal was struck in bronze, silver and gold to commemorate the 300th anniversary of the Pine Tree Shilling. Earl Tuttle was elected president for the coming year.
- 1953 The Ninth Annual Convention was held in Worcester with Earl Bellis as Chairman. At the business meeting Theodore Robbins was elected president.
- The Tenth Annual Convention was held in Hartford, on Oct. 9th & 10th at the Hotel Bond. The Convention Chairman was Richard D. Moore. A special medal specifically designed for NENA and the 10th Annual Convention was struck. The largest Bourse ever held along with an excellent Auction made this one of the finest NENA Conventions held to date.
- The Eleventh Annual Conference was held at the Sheraton-Biltmore Hotel in Providence, Rhode Island, on Oct. 8th & 9th. The Coin Club of Rhode Island was the host club and the Convention Chairman was Horace M. Grant.
- The Twelfth Annual Conference is to be held at the Sheraton-Kimball Hotel in Springfield, Massachusetts, on Oct. 6th & 7th. The Springfield Coin Club will be the host club.

# THE SPRINGFIELD COIN CLUB

The Springfield Coin Club was organized in 1912. One evening in that year a group of eight coin enthusiasts gathered in the rooms of the Springfield Chamber of Commerce and decided to unite as an organized group. It applied for a charter as a branch of the American Numismatic Association and in due time became Branch No. 5 of the National Association. It began with a membership of fifteen from this city and nearby towns.

For the first ten years the meetings were held in the Chamber of Commerce, then for a year in the rooms of the YMCA, and after that for several years, because of increased membership from a wide area, a more convenient meeting place was chosen at the Cabot Trust Company of Chicopee. Since 1935 the Club has been fortunate in being able to hold its meetings at the Museum of Fine Arts on Chestnut Street in Springfield.

Through the efforts of our Club, Springfield has twice been honored by the American Numismatic Association when it held its national conventions here in 1914 and 1919. The 25th Anniversary of the Club was celebrated by a dinner at the Hotel Stonehaven in Springfield April 14, 1937.

Today the Club has a membership of 55. In the past it has had a number of distinguished numismatists on its rolls: John M. Oliver, William C. Stone, Preston C. Pond, Herbert R. Wolcott, George H. Blake, and Albert W. Morris. In September 1955 it lost its last Charter Member, Charles A. Frazer, a coin collector of long standing and a prominent citizen of Springfield.

The Club was selected by the Trustees of the Springfield City Library Association as custodian of the very valuable Henry S. Lee Coin Collection. Mr. Lee was for 50 years a leader in financial circles in the city, a most generous giver to public causes, and the benefactor of many young men in their college careers. He also had the collector's interest in coins and up to the time of his death in March, 1902 had put together an exceptionally fine and complete collection of U. S. coins of all denominations. The Club has spent hours in arranging and cataloguing the collection and exhibited a substantial part of it at the 125th Anniversary of the Springfield Institution for Savings in May, 1952. It has also exhibited smaller sections of the collection from time to time at its Club meetings.

The emblem of the Club is a small picture of the famous St. Gaudens statue of The Puritan, with "Springfield Coin Club" around the top, "Massachusetts" on the base of the statue, and "Organized 1912" below it—all in a circle the exact size of a 25-cent piece. Actually, the Puritan is a statue of Deacon Samuel Chapin, a prominent citizen of early Springfield and the statue itself stands in the small park just one door south of our meeting place.

The Springfield Coin Club is an active group of numismatists, has grown rapidly in the last few years, and in this October of 1956 takes great pleasure in welcoming to Springfield the other NENA clubs to their 12th Annual Conference.

# U. S. LARGE CENT COLLECTOR

The NUMISMATIC REVIEW is republishing a limited issue of Newcomb's important book,

# "U. S. COPPER CENTS 1816 - 1857"

All Collectors of the late series of large U. S. Cents know that Newcomb is their Bible—their Court of last resort—the only real authority. Probably too few of them are lucky enough to own a copy. "U. S. Copper Cents 1816-1857," has been out of print for almost 8 years. The book now commands an almost prohibitive premium, selling as high as \$50.00.

Here is YOUR CHANCE to own the indispensable Newcomb. The book contains 293 pages, 11 master plates in addition to hundreds of carefully prepared drawings showing die varieties in detail. The new edition will be republished in an attractive and durable library binding, page size 8½" x 11".
